

MEMBERSHIP CHALLENGE

Help us double our membership by the end of 2010.

1. Join yourself.
2. Renew your membership.
3. Invite a friend to join.

At present we have 20 members in good standing. We have 100 people who come to the center for classes and retreats. We have 400 people on our mailing list.

We are deeply grateful for our members who make it possible to offer you classes and retreats led by: Matthew Daniell, Kate Wheeler, Chas DiCapua, and Larry Rosenberg.

By joining IMCN you give valuable support to the Center and the community of meditators who gather here to practice.

Additional membership benefits include:

- member rates for classes and retreats
- interviews with our guiding teacher Matthew Daniell
- borrowing privileges from our library

The suggested annual pledge is \$250 (flexible)

Please contact our director, Maria Van Dusen, for more information.
